

WESCO | Anixter provides electrical, communications, security, utility, broadband solutions and supply chain services globally. In addition, we have a dedicated federal team that understands the purchasing processes, contract vehicles, unique language and acronyms, and various solutions in this market. GSA 2GIT is GSA's Best in Class BPA solution for the efficient purchase of Commercial Off-The-Shelf IT hardware. It incorporates enhanced NIST based Supply Chain Risk Management (SCRM) requirements and operational controls that significantly improve GSA's and its customers' secure supply chain. WESCO | Anixter currently holds a GSA 2GIT BPA contract.
