

GSA MAS Schedules for Information Technology (IT) & Security

Wesco provides electrical, communications, security, utility and broadband solutions, as well as supply chain services globally. In addition, we have a dedicated federal team that understands the purchasing processes, contract vehicles, unique language and acronyms, and various solutions in this market. GSA MAS schedules are a fast, easy and effective contract vehicle for both customers and vendors, providing access to products and services at volume discount pricing. GSA 2GIT is GSA's best-in-class BPA solution for the efficient purchase of commercial off-the-shelf IT hardware. It incorporates enhanced NIST-based supply chain risk management (SCRM) requirements and operational controls that significantly improve GSA's and its customers' secure supply chain. Wesco holds MAS GSA Schedules for IT and Security and one GSA BPA contract.
