

Comprehensive A/V Solutions for Higher Education

A/V Expertise to Support your Higher Education Needs

Wesco has a dedicated Audio Visual Team focused on the A/V needs of the Higher Education market. Education providers face numerous challenges due to increasing enrollment, older facilities and new technology requirements. From the classroom to the auditorium, not only can Wesco help you design a complete A/V solution for today's virtual and classroom environments, our services will help you save time, reduce costs, increase efficiency, and mitigate risk.
