CUSTOMIZABLE CONFIGURATIONS

Chief provides fully configurable mounting systems to create comprehensive Video Conferencing and Telepresence suites-compatible with all major component manufacturers. Combine with Fusion and Thinstall Series accessories for a truly customized solution that makes installation easy.

Chief's Fusion and Thinstall Series mounts and accessories are designed to function as a complete system. Height and level adjustments made to the mounts apply to the entire configuration, making post-installation adjustments a breeze.

CHOOSING A DISPLAY MOUNT

FUSION™ Fixed & Tilt Mounts

Ideal for almost any permanent, on-wall installation, the Fusion Series of fixed and tilt mounts is one of the most flexible on the market. Includes a wide range of corresponding accessories to match any need.

FUSION™ Carts & Stands

Get complete mobility and a clean look with Fusion Series carts and stands. Flexible features make this series ideal for environments with multiple users and multiple rooms.

THINSTALL™ Swing Arm Mounts

Thinstall swing arms combine an ultra-low profile with unmatched extension for sleek set ups- especially in high-end corporate settings- or difficult corner installations.
