

SYSTIMAX® 40G/100G Migration

Data rates and bandwidth requirements in the data center have grown tremendously over the past several years and show no signs of slowing down. This growth is driven by many factors: cloud, virtualization, Software Defined Network (SDN), data/storage convergence, and video-on-demand.

To support these networking requirements, the 40G/100G solution will allow customers to easily migrate to 40G/100G networks

Key Customer Benefits

- Supports higher speed networks
- Maximizes existing fiber infrastructure investment
- Provides 100% network utilization for 10G/40G/100G deployment

For the traditional data center multi-tier architecture or emerging data center fabric architecture, the following can be deployed:

- 100G -100G application - direct connect
- 100G -100G application - structured cabling
- 100G - 40G application - direct connect
- 100G - 40G application - structured cabling
- 100G - 10G application - direct connect
- 100G - 10G application - structured cabling

NOTE: After the link opens, locate the *Fibers Per Subunit*, *quantity* drop down box; select 24 and then select *View Products*.

MID	Product Description
FRX2P2PHF	InstaPATCH® 360 Array Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to 24-Fiber MPO Female
FRX2P2XHF	InstaPATCH® 360 Array Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to 24-Fiber MPO Male
FRX2PCPHF	InstaPATCH® 360 Array Fanout Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to (2) 12-Fiber MPO Female
FRX2PCXHF	InstaPATCH® 360 Array Fanout Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to (2) 12-Fiber MPO Male
FRX2PLCHF	InstaPATCH® 360 Array Fanout Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to 12-Duplex LC Fanout
FRX2PQPHF	InstaPATCH® 360 Array Fanout Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to (3) 8-Fiber MPO Female
FRX2PQXHF	InstaPATCH® 360 Array Fanout Cord, 24-Fiber, LazrSPEED® 550, LSZH, 24-Fiber MPO Female to (3) 8-Fiber MPO Male
FRXQMPHF	InstaPATCH® 360 2X3 Array Fanout Cord, 24-Fiber, LazrSPEED® 550 LSZH, MPO (female) to MPO (female)
FRXQPMXHF	InstaPATCH® 360 2X3 Array Fanout Cord, 24-Fiber, LazrSPEED® 550 LSZH MPO (female) to MPO (male)
