SmartMount® Video Wall Mounting Systems for Direct View LED Displays

The SmartMount® Video Wall Mounting Systems offer slim, space-saving, and aesthetically appealing designs that can be adapted to support various LED display sizes and brands. With features such as cable management, easy-hang hardware, and a pop-out mechanism, installation and maintenance are simple so you can focus on what matters – Creating the perfect video wall to effortlessly communicate your digital message.

Flat LED Video Wall Mount

DS-LEDF

KITTED SOLUTION

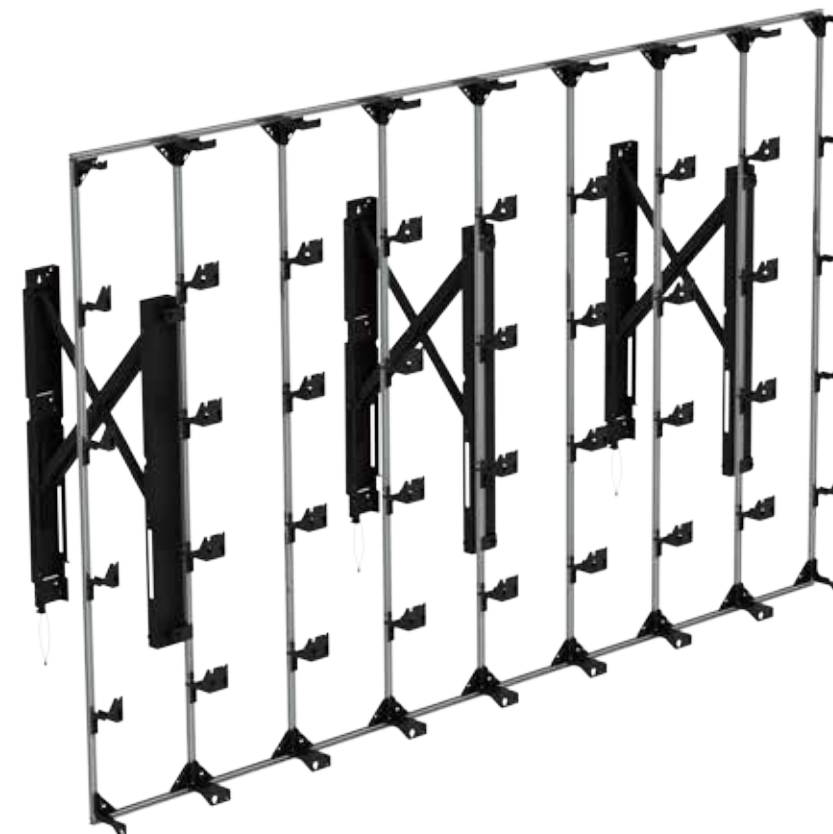

Designed and built to your video wall specifications

ADAPTORS ADJUST ON THE X, Y AND Z AXIS

Allows the installer to overcome uneven walls while simplifying the display and adaptor alignment

SCALABLE DESIGN

Engineered to any configuration for various brand and display sizes

Pop-Out LED Video Wall Mount

DS-LEDP

CONVENIENT REAR SERVICE ACCESS

Pop-out mechanism extends the mount from the wall, providing ample space for a technician to service and maintain

KITTED SOLUTION

Designed and built to your video wall specifications

EASY HANG WALL PLATE

Quickly attaches to wall strut which provides lateral adjustment when positioning the mount on the wall

SmartMount® Full Service Video Wall Mounts

The SmartMount® video wall series is a comprehensive line of mounts that provide solutions for any environment. Limitless configurations are possible with the ability to accommodate displays in both landscape and portrait orientations. With features such as the tool-less micro-adjustment and the quick release pop out mechanism, we give you the tools you need to create the perfect video wall.

SmartMount® Media Storage, Back-to-Back Ceiling Mounts & Truss Mounts

Media device storage is simple and effective with the SmartMount® Media Storage Mounts. Available solutions include flat/tilt wall and ceiling mounts and back-to-back ceiling mounts. Ideal for rental and staging applications, the truss mount is a perfect solution to display your digital signage message.

Gondola and Shelf Mounts

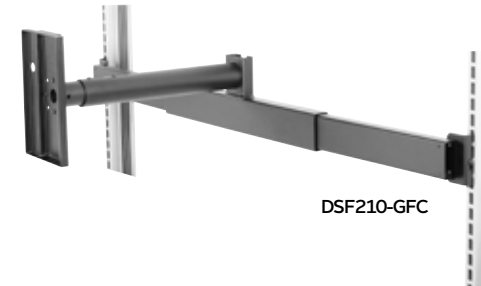

Peerless-AV® offers gondola shelving mounts for point of sale advertising. The Gondola and Shelf Mounts are ideal for retail or grocery store applications to digitally display pricing, sales, advertisements, and more to enhance the customer experience throughout the store. With beneficial features such as security hardware, and the ability to mount the display in both landscape or portrait orientation, these mounts are made for retail environments.
