

Mega Wall Mounts

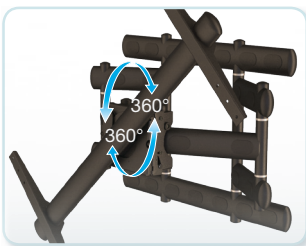

AM500

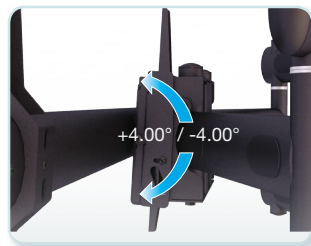

Universal, Articulating Mega Mount for Flat-Panel Displays Ranging from 80" to 103" and Above with 500 pound Weight Capacity

DESCRIPTION

A truly unique heavy-duty mount with full-service features, it accommodates displays ranging from 80" to 103" and above. Revolutionary features including negative tilt to adjust for involuntary downward display tilt due to equipment weight. Full range of motion allows for effortless adjustments and a great option for any large format need.

AM500 Rotation

Negative Tilt Adjustment to Counter Weight Related Tilt
