

UTG SOLUTIONS BRIEF VELCRO BRAND®

CABLE BUNDLING

The Utility Grade INFRASTRUCTURESM program has been developed alongside world-class global technology partners. These UTG-specified components from VELCRO® enable you to support the rapid evolution of technology in today's building environments.

PRODUCT OVERVIEW

The extended distance and performance offered by the UTG program relies on best-in-class bundling practices and cable management in the pathway. Eliminating cable stress and avoiding geometry changes in the cable construction are vital to achieving optimum performance.

Patented VELCRO® Brand ONE-WRAP® FR Tape is a self-engaging back-to-back hook and loop tape. This easy, fire retardant, adjustable and reusable solution is perfect for plenum and air handling spaces.

CLOSURE INFORMATION		
	MATERIAL	Polypropylene (Hook) Polyamide (Backing)
	CYCLE LIFE	Medium
	PEEL	0.6 PIW
	SHEAR	29 PSI

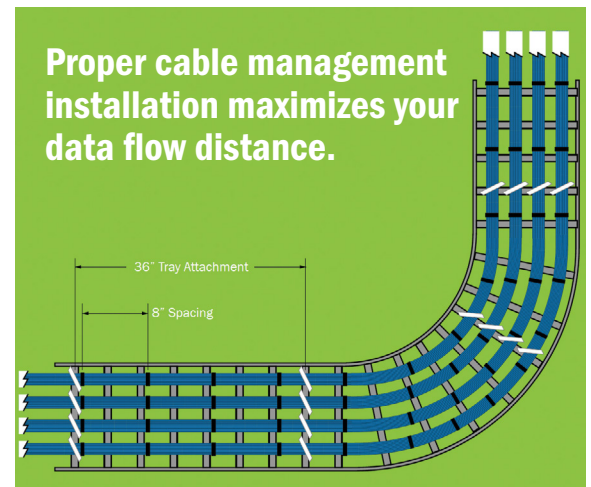

FLAMMABILITY RESISTANCE

VELCRO® Brand ONE-WRAP® fire retardant fasteners (FR889) meet the FAR 25.853 Appendix F, Part I (a) (I) (ii) 12-second burn test and the FAR25.853 Appendix F, Part I (a) (I) (i) 60-second burn test. Additionally, they meet the MVSS302 and UL 94-V2 ratings.

ONE-WRAP® FR tape is the only hook and loop material that meets National Electric Code (NEC) standards (section 300.22, C and D) for use in plenum space. This reduces the risk of damaging cables and restricting data flow and complies with building codes for data communications, security, electrical, pro A/V and more.

As part of the UTG connected architecture, the following convergence zones identify the most common environments ONE-WRAP will be utilized within and around the building:

INTER-BUILDING | INTRA-BUILDING | CONNECTED-CEILING | BUILDING-EDGE | EXTENDED-EDGE

Plenum ONE-WRAP® Tape					
VELCRO PN	UPC CODE	LENGTH	WIDTH	COLOR	ANIXTER PN

About Anixter: anixter.com/aboutus
Legal Statement: anixter.com/legalstatement

At Anixter, we enable the connected world. By building, connecting, powering and protecting valuable assets and critical infrastructures, we help to sustain and grow businesses and communities worldwide. We accomplish this by offering full-line solutions, technical intelligence, supply chain expertise and an unmatched global distribution network.
