

Coronavirus Disease 2019 (COVID-19) Update:

At Cable Prep, the safety and security of our employees, customers and communities is our utmost priority and our thoughts are with those impacted by the Coronavirus.

We are closely monitoring the rapidly evolving outbreak of the COVID-19 (the coronavirus) and its impact on the community, and are taking action based on guidance from public health experts and the CDC to ensure business continuity for all of our customers around the world. Based on guidance from the CDC, we have implemented our already robust Business Continuity Plan with specific steps to account for COVID-19.

Our Team

We are equipped to maintain the high-quality customer service you have come to expect from us. We are regularly updating our employees on the situation and on necessary precautions to take. We have reviewed both the CDC and the local authority recommended coronavirus protocol with our employees.

Our Commitment

We are continuously evaluating the situation, monitoring any impacts to the businesses we serve, and communicating alternative plans where necessary. We are taking the appropriate actions to continue providing our employees a safe and healthy working environment. We remain committed to providing the superior service that our customers have come to expect from us.

We realize this situation remains very dynamic, as information continues to change day-to-day, and we are committed to maintaining our business operations and ensuring you continue to receive the highest quality service without disruption.

Thank you for your continued trust in Cable Prep. For the latest information on this Coronavirus outbreak please visit the [CDC website](#).
