

March 20, 2020

Dear Electro Cables Customers and Suppliers,

As the Coronavirus (Covid-19) situation continues to evolve, Electro Cables will monitor developments closely. We are taking all measures to protect the health and well-being of our employees, suppliers, and customers.

We have increased hygiene and sanitation protocols as well as employee awareness and prevention education.

All business travel will be cancelled until the further notice.

Supplier and customer visits will be rescheduled when possible.

Suppliers deemed necessary to be at the facility will complete a screening process based on recently released government guidelines.

Our offices and shipping department will remain open during normal business hours.

We take this situation very seriously and will continue to follow best practices to protect the health and safety of our employees. We will work as a team to get through these difficult times. Please contact your Electro Cables representative or call me directly if you need any information.

Regards
