DATE: February 26, 2020
TO: Fire Protection Customer
FROM: Gentex Supply Chain Continuity Committee
SUBJ: China Coronavirus, Update #1

Dear Fire Protection Customer,

Given the recent Coronavirus activity in China, Gentex has completed an initial round of supply base inquiries for supplier(s) located in the impacted areas. Based on this analysis and current supplier responses, Gentex does not anticipate a disruption at this time.

Gentex is monitoring the current situation closely and will continue to communicate as appropriate.

Sincerely,
Joe Matthews
Vice President, Purchasing and Diversity Officer
