To Whom It May Concern:

This is to confirm that Pivot3 is in communications with our supply chain partners and as of today, we are seeing no impacts. They have indicated they are continuously evaluating and will invest appropriately in strategic buffer stock as they deem necessary to lessen impacts.

Our supply chain status and approach could change over the short term and we'll evaluate and advise accordingly.

Best Regards,

A handwritten signature in black ink, appearing to read "W. G. Stover, Jr.", written over a thin horizontal line.

W. G. "Bill" Stover, Jr.
Chief Executive Officer
