

LOCKING SOLUTIONS BY ANIXTER

REDUCED INSTALLATION TIME = INCREASED PRODUCTIVITY.

Reducing the total cost of installation and maximizing profitability on the jobsite.

Your technicians' time is limited, so have them focused on revenue-generating activities, while we assist you with an assortment of pre-shipment services in our warehouses.

Installation Enhancement Services

- Keying services
- Labeling
- Kitting by room, floor, project, site, technician
- Installation reporting for warranty tracking
- DOA testing of electronics
- Firmware mating
- IP addressing
- Asset tagging
- What could we do at our site to save you time?
