

## UTILITY EMERGENCY SUPPORT AND READINESS

In times of uncertainty, disaster or other emergency, your mission remains the same – to provide power to your customers and members. Our mission is to help you fulfill yours. Whether it is a storm, fire, flood, blizzard or global outbreak, Anixter is here.

### We get the materials to you when and where you need them

- 72 utility stocking locations across North America
- Staging area support and temporary laydown yards
- Delivery to storerooms, job sites or contractor yards

### Working with Anixter means you have access to the largest inventory network in North America

- More than \$1 billion in inventory
- 600,000 products
- Strong manufacturer relationships

### Be confident you can respond swiftly with our custom and creative solutions

- Custom storm, cleaning and personal safety kits
- Storm trailers stocked for agile deployment

To build your customized storm and emergency response plan, contact your local Anixter representative or visit [anixter.com/utilities](https://anixter.com/utilities).
