Products. Technology. Services. Delivered Globally.

DID YOU CONSIDER?

POWER AND THERMAL SOLUTIONS

Power quality and protection of your professional audio/video solutions is essential in maintaining system availability and business uptime.

Anixter's power and thermal management solutions simplify component considerations by encompassing a total solution architecture that places emphasis on delivery, reliability, efficiency and intelligence while addressing cost reduction throughout.

For pro A/V installations consider:

- Rack PDUs
- UPS systems
- Surge protection power strips

SAVE TIME

INCREASE EFFICIENCY

REDUCE COSTS

MITIGATE RISK

A/V DEPLOYMENT CONSIDERATIONS

Preparing the products you buy for installation can be costly and impact your time to market. Anixter can help find ways to reduce costs, save time and increase efficiencies by packaging products to streamline the implementation process.

- Labeling
- Kitting
- Firmware updates
- DOA check
- Serial number/MAC address capture
- Whole order delivery
