

# Higher Education Solutions

## Expertise to Support your Higher Education Needs

Higher education facilities are evolving to cater to changes in technology and student behavior by offering new opportunities for improved on-site and virtual learning outcomes. Equally important elements include enhancing campus safety, optimization of energy efficiency and controlling operational costs. Our expertise and insights will help support you with tailored, tangible solutions that promote more productive operations. Wesco Anixter is a Fortune 500 global electrical, communications, utility distribution and supply chain solutions company providing you with a dedicated team, focused on the higher education market to serve your unique needs.

### Areas of Expertise

- Network infrastructure
- Electrical infrastructure
- Physical security
- Professional A/V
- Wireless technologies
- Energy solutions
- IoT/IIoT
- Safety

### Preferred Supplier Partners

## Comprehensive Solutions

### Network Infrastructure

- Copper cabling
- Optical fiber cabling
- Racks and enclosures
- Cable management and pathways
- Network switches and transceivers
- PoE midspans and injectors
- Uninterruptible power supplies
- Rack power distribution units (PDUs)
- Building entrance protection
- Grounding and bonding

### Electrical Infrastructure

- Switch gear
- Medium voltage cable and terminations
- Low voltage cable and terminations

### Wireless Technologies

- Wi-Fi
- Point-to-point
- Point-to-multipoint
- Distributed antenna systems

### Physical Security

- Video surveillance
- Access control
- Intrusion protection
- Fire and life safety
- Door locking hardware
- Biometrics
- DVR, NVR and storage
- Emergency call stations
- Intercoms, sound and paging
- Pedestals and kiosks
- Video displays

### Professional A/V

- Audio
- Video
- Digital signage
- Unified communications and collaboration
- Mass notification
- Command and control
- Automation
- Sound reinforcement

### Energy Solutions

- Lighting
- EV charging
- Solar

### IoT/IIoT Solutions

- Utility Grade Infrastructure (UTG)
- Building automation and control
- Sensors and monitoring
- Servers and gateways
- Saas
- Analytics

### Safety

- Eye protection
- Hand protection
- Hi-vis vests
- Ergonomics
- First aid
- Bleeding control/trauma kits
- Plastic dividers
- Janitorial
- Matting
- Fire safety
- Signage
- Tools and equipment
