

Copper Wire and Cable

- Communication cable
- Control
- DLO
- Ethernet
- Fieldbus
- HVAC
- Instrumentation
- Power
- SIS
- VFD
- Welding

Industrial Fibre Cabling and Connectivity

- Connectors
- Fibre optic cabling
- Hardware/patch panels
- LSZH

Enclosures

- Commercial
- Handles
- Hazardous locations – NEC and IEC
- Industrial
- Locks
- Mounting plates
- Nonmetallic

Industrial Ethernet Networking

- Connectors
- Cord sets and patch cords
- Ethernet switches
- Gateway/protocol converters

- I/O solutions
- Industrial firewalls
- Industrial wireless/cellular
- Media converters
- Power over Ethernet (PoE)

Low-Voltage Products

- Air circuit breakers
- Circuit breakers - UL 489, UL 1077 and EN60947-2 compliant
- Combo starters
- Condition sensing devices
- Contactors
- Control and load switches
- Control relays
- Disconnects
- Distribution blocks
- Encoders
- HMI
- Joysticks
- Limit switches
- Metering
- Mini breakers
- Motion control
- Motor protection
- Motor starters
- Photoelectric sensors
- Pilot devices
- Programmable logic controllers (PLCs)
- Process control and safety
- Proximity sensors
- Pushbuttons
- RFID

- Sensors
- Signalling units
- Smart sensors
- Soft starts
- Switchboards
- Switches
- Terminal blocks
- Timers
- Ultrasonic sensors

Industrial Video

- Access control
- Analog cameras
- Housing and hardware
- IP cameras
- Servers

Power Supplies

- AC/DC
- DIN rail power supplies
- PDUs
- Power protection
- Power quality and energy management
- Single phase
- Three phase

Transformers

- Control (CTC)
- General purpose

Fuses

- Fuse
- Fuse blocks
- Fuses holders

Uninterruptable Power Supply (UPS)

- Commercial
- Industrial
- UL 508A, EN 60402-1 and EN61439-2 compliant

Surge Protection

- Arrestors
- DIN mountable
- Inline
- Lightning protection

Power Quality

- Harmonic filters
- Line reactors

Support and Supplies

- Braid
- Cable ties
- Connectors
- DIN rail
- Heat shrink
- Identification products
- Strain reliefs
- Terminals
- Wire duct

Variable Frequency Drive (VFD)

- Hazardous location
- HVAC
- Industrial
- Micro
