

The ANIXTER logo is positioned in the top right corner of the page. It consists of the word "ANIXTER" in a bold, white, sans-serif font, with a registered trademark symbol (®) to its upper right. The background of the entire page is a silhouette of a high-voltage power transmission tower against a bright orange and yellow sky, with several power lines stretching across the frame.

ANIXTER®

QUALITY PRODUCTS

FOR NEW AND RETROFIT UTILITY PROJECTS

Build. Connect. Power. Protect. Services. Worldwide.

THE ANIXTER DIFFERENCE

At Anixter, we enable the connected world. By building, connecting, protecting and powering valuable assets and critical infrastructures, we help to sustain and grow businesses and communities worldwide. We accomplish this by offering full-line solutions, technical intelligence, supply chain expertise and an unmatched global distribution network.

Our extensive portfolio of custom services is backed by our expansive North American distribution network to ensure the right products make it in the right hands. We specialize in solving challenges. Our rich history has brought deep knowledge of LDCs, investor-owned utilities, public power and industrial and construction segments – and we deliver product and service expertise in each of them. With access to a vast selection of products from top name suppliers and an ever-growing list of customized and proven services, we are more than just point A to point B experts.

We are more than just a distributor. We have an in-house team of engineers and field project managers that can work collaboratively to develop a concept, draft mechanical drawings, manage the procurement and construction process, and help you get up and running quickly, safely, and efficiently.

Experience the benefit of working with a team that has the technical and proven field experience to drive successful completion of your most challenging projects.

PRODUCT OFFERINGS

TRANSFORMERS

- Single and three phase polemount and padmount, submersible, vault, distribution and power, to 765KV class, voltage regulators, switches, controls, CT's, VT's, CCVT's, SSVT's, current limiting and air core reactors
- Repairs and remanufacturing

Featured suppliers

ABB, Cam Tran Co.

WIRE & CABLE

- Overhead and underground primary medium voltage and secondary cables, aerial cable systems, Alumoweld, Copperweld, building wire, bare copper, specialty cables, industrial cables, PILC, fiber optics, OPGW, ADSS, lashing wire, tie wire, guy steel

Featured suppliers

Nexans, General Cable, Southwire, Prysmian, Okonite, AFL, SFPOC, OFS Optics, Belden, Hendrix, Nehring, Mittal, Bekaert, Pacific Wire Rope, Unalloy-IWRC, Central Wire

SWITCHES/FUSES

- Cutouts, fuse links, power fuses, reclosers, in-line and branch feeder disconnects, single and three phase distribution, substation and transmission switches, SF6, air and vacuum technologies, HRC and cartridge fuses, current limiting fuses, Bay-O-Net.

Featured suppliers

S&C Electric, TE Connectivity (AMP), T&B (Hi-Tech, Elastimold, Joslyn HV), Hubbell Power Systems (Chance, USCO, Trinetics), Maclean Power Systems, Turner, Royal Switchgear, Cleveland Price, Federal Pacific, Southern States, Merson, Fusetek, Littelfuse.

INSULATORS

- Distribution, transmission, station post, line post, suspension, riser support, strain, spool, pin, polymer, polyethylene, porcelain, fiberglass, glass.

Featured suppliers

K-Line Insulators, Hendrix, Slacan, Hubbell Power Systems (Ohio Brass), NGK/Locke, Maclean Power Systems, Victor, Gamma, Lapp, Nanjing, Seves.

ARRESTERS

- Distribution, riser, intermediate, station class MOV polymer, Protecta*Lite system, underground distribution.

Featured suppliers

Hubbell Power Systems (Ohio Brass), Maclean Power Systems, T&B (Elastimold).

TERMINATIONS/SPLICES/TAPES

- HV terminations and splices, power products, cold shrink, heat shrink products, full line of utility tapes.

Featured suppliers

3M, T&B (Elastimold), TE Connectivity (Raychem)

UNDERGROUND

- 200 Amp and 600 Amp connectors, splices, terminations to 35KV class, padmounted gear, SF6, air and molded vacuum, handholes, transformer pads, pedestals, sectionalizers, enclosures, polymer concrete products, duct and fittings, rigid PVC conduit and fittings, HDPE pipe, warning tapes.

Featured suppliers

T&B (Elastimold), S&C, 3M, Oldcastle (Synertech, Carson), Hubbell Power Systems (Trinetics, CDR, Quazite, Hot Box, Pencil, Polycast), Nordic Fiberglass, Ace Manufacturing, Inventronics, Royal Pipe, Lafarge, USI, Electromark, Almetek.

POLELINE HARDWARE

- Anchors, grounding, galvanized transmission and distribution line hardware, preformed grips, suspension and conductor clamps, machine bolts, insulator studs, equipment and transformer mounts, apitong, fiberglass and steel brackets and arms, spaced aerial hardware, guy and cable guards, cattle guards, wood arms and timbers, rock pole mounts, pole cribs, stainless steel, silicon bronze, strapping and buckles, pulling and support grips, pole markers.

Featured suppliers

Hubbell Power Systems (Chance, Anderson, Fargo, Kellums), Slacan, Hydrel, Alumaform, Hendrix, R&M Plastics, Downey Metal, Helix, AFL, Preformed Line Products, Maclean Power Systems, Locweld, Armtec, Borden Metals, H.Paulin, EPAC, Erico, Stampede Steel, Goodfellow, Hughes Brothers, PUPI, CW Carry, Shakespeare, Enerscan, HD Supply (CTF Brafasco), Larson.

SUBSTATION EQUIPMENT/STRUCTURES/TOWERS

- Power transformers, switchgear, revenue metering, fault protection, grounding packages, tubular and lattice structures, structural and support steel, tubular bus, in-ground raceway systems, circuit breakers, CT's, VT's, CCVT's, SSVT's, switches, resistors, capacitor banks.

Featured suppliers

Slacan, S&C, Kuhlman, T&B (Joslyn HV), Hubbell Power Systems (USCO, Trinetics), ABB, Turner, Royal Switchgear, Federal Pacific, Southern States, Cleveland Price, Oldcastle (Synertech), Valmont, Locweld.

CONNECTORS/CONDUCTOR HARDWARE

- AMPACT system, accessories and tooling, URD elbows, inserts, splices and terminations, automatic line splices, compression, mechanical, exothermic, distribution, transmission, substation, pigtailed, heat shrink, cold shrink.

Featured suppliers

TE Connectivity (AMP), Hubbell Power Systems (Fargo, Anderson, Burndy, CMC), T&B (Elastimold, Blackburn, Homac), 3M (Cicame), AFL (ACA, Dossert), Preformed Line Products (Dulmison), Maclean Power Systems, IISCO, ERICO, Patton and COOKE, SLACAN (NicoPress).

POLES/LIGHTING

- Transmission, distribution, traffic signaling and lighting poles in aluminum, steel, composite and concrete. Octagonal, round, square, sectional and decorative. LED Roadway, area and decorative fixtures, aluminum and steel brackets, photo controls, relays, fuses and fuse holders, break-away bases and smart poles.

Featured suppliers

Signify (Lumec, Philips, Cooper Lighting), Acuity Brands (AEL, Holophane, Cyclone), GE, King/Stress Crete, LED Roadway, Schreder, USI, Valmont (WCE), Feralux, Sabre Industries, Nova Poles, Aluminous, Pedestal Solutions, CECO, Safety Base, Sunrise Technologies (Fisher Pierce), Fusetek, Cree Lighting.

SMART GRID, COMMUNICATIONS AND SECURITY SOLUTIONS

- Systems Integrator for multiple Smart Grid AMI/AMR and Demand Side Management (DSM) solution options. Cyber Security solution for SCADA, Substation, AMI and DSM systems
- Metering and Sub-metering solutions. Full Turnkey ASP options for AMI, DSM and Cyber Security applications
- Smart Grid sensors & outage management products
- Automated switches & controllers
- Automated Capacitor banks & controllers

Featured suppliers

N-dimension solutions, Itron, E.J. Brooks, Aclara, Cutler Hammer, ABB, VideogeniX (ipulse), MSS, Cleveland Price, Hubbell Power Systems.

TOOLS/INSTRUMENTATION/SPECIALTY PRODUCTS

- Data recorders, voltage testers, meggers, ohm meters, hot line tools, grounding equipment, battery operated hydraulic crimping and cutting tools, fault indicators, rubber gloves, line hose, cover up, blankets, belts, harnesses, fall arrest products, synthetic ropes, winch lines, work gloves, mitts, PCB test kits, tags, stringing equipment, labels, signs, warning tape, cable markers, cable preparation products, abrasives and tapes, batteries, drill bits, hand tools, power tools, hoists, slings, cable handling equipment, ladders, tree trimmers, tents, clothing, work area protection, temporary lighting, wildlife protection, silicones and lubricants, heat shrink torches, padlocks, pole repair products.

Featured suppliers

Hubbell Power Systems (Chance, Burndy), Schweitzer Engineering, Cembre, Klein, VON Corp, HD Electric, Speed Systems, Jameson, Electromark, Almetek, Cooper Tools (HK Porter), 3M (Dynatel), Ripley, Rainbow Technologies, Dexsil, Bethea Tools & Equipment, Estex, Oshkosh, Genics, P&R Technologies, Sampson Rope, Rogers Prototfab, DCD Design.

LEADERS IN STRATEGIC PLANNING AND SUPPLY CHAIN MANAGEMENT

- Knowledgeable, experienced staff
- Dedicated fleet of company trucks
- Complete and diversified product range
- 24-hour “Hot Line” and emergency response system
- Materials management and vendor-managed inventory
- Advanced material handling and logistics
- State-of-the-art electronic capabilities
- Integrated supply services
- Jobsite delivery
- Kitting

GET STARTED TODAY.

Work with us and you get more than just a distributor. Ask some of the top investor-owned utility companies in North America and you find out how they have benefited from working with Anixter. Get started today. Contact your local branch to discuss how we can help you.

CORPORATE SNAPSHOT

GLOBAL REACH. LOCAL ADVANTAGE.

With Anixter, you get a true local partner around the world. No other distributor of our kind can claim an in-country presence in approximately 50 countries and in over 300 cities.

We do business in more than 35 currencies and 30 languages, which means we are uniquely positioned to help facilitate your project in the local environment, reduce risks and keep costs down.
