

BUYBOARD COOPERATIVE PURCHASING

Proposal Name and Number: Building Maintenance, Repair and Operations Supplies and Equipment, Proposal No. 577-18

Effective Date: 12/01/2020 - 11/30/2021

Overview:

The BuyBoard is an online purchasing cooperative that gives its customers (members) access to thousands of items that have gone through a competitive procurement process. Members include school districts, cities, counties, universities, other governmental agencies and non-profit organizations.

Benefits

- Easy to use—no administrative fees
- Efficient—call Anixter directly for a one-stop source
- Prequalified—prequoted and legally compliant eliminate the need for a formal bid process
- Economical—save hours of work
- Cost-effective—access the power of volume purchasing and bidding

About Anixter

At Anixter, we help build, connect, power and protect valuable assets and critical infrastructures. From enterprise networks to industrial support and supplies to video surveillance applications and electric power transmission and distribution, we offer full-line solutions—and intelligence—that create reliable, resilient systems that can sustain your business and community. Through our unmatched global distribution network, supply chain management expertise and technical know-how, we drive efficiency and effectiveness to benefit your bottom line.

Who are BuyBoard Members?

Members participating under The Local Government Purchasing Cooperative are Texas school districts, cities, counties, universities, and other local governmental agencies inside the state of Texas. Members participating under Texas Association of School Boards are non-profit organizations inside and outside the state of Texas. Members participating under National Purchasing Cooperative are local governmental agencies which reside outside the state of Texas.

Why Do Members Use the BuyBoard?

Members use the BuyBoard for a variety of reasons:

- To abide by competitive procurement laws—customers purchase from approved BuyBoard vendors, knowing those vendors have already gone through the competitive procurement process.
- To eliminate bidding—using the BuyBoard lets customers eliminate the time and cost associated with placing bids.
- To save time—customers can purchase a vast array of products all in one location.
- To save money—BuyBoard vendors offer savings to customers who purchase products through the BuyBoard. Coupled with internal administrative savings, the BuyBoard is a very cost effective procurement vehicle.

How Do Members Use the BuyBoard?

Members browse the BuyBoard to locate products and to obtain price information. Members use that information to compare prices and to verify that they are getting the best deal through the BuyBoard. Members use the BuyBoard's RFQ feature to request quotes from vendors and to obtain additional price discounts off items. Members take advantage of the other features of the BuyBoard to keep track of purchases made through the BuyBoard for bid compliance, audit and pricing.
