

INDUSTRIAL LIGHTING SOLUTIONS AND SERVICES

Modern manufacturers expect lighting solutions that reduce energy and maintenance costs, satisfy building energy codes, and improve worker safety, comfort and productivity. Deliver the industrial LED lighting solutions that your customers expect—and remove cost and complexity from every step, from design to deployment.

Anixter offers not only a full breadth of high-performance indoor and outdoor industrial LED luminaires and controls from leading manufacturers. We also combine decades of network and lighting expertise to help you design the best lighting solution for your industrial customers.

To further streamline deployment and enhance your bottom line, we leverage our global presence and supply chain expertise, and provide lighting audits, utility rebates and financing services.

Products

- Lighting controls
- Lighting fixtures and fittings
- Lighting poles and arms
- Lamps, ballasts and drivers
- LED lighting
- Wiring and interconnection devices

Services

- Lighting audits
- Project financing and tax considerations
- Utility rebates analysis
- Inventory and kitting of lighting materials
