

ITC COOPERATIVE CONTRACTS

Your One Source for Infrastructure Solutions

The Texas Department of Information Resources (DIR), has awarded Anixter ITC Cooperative Contracts for technology-based conferencing products and services (Contract No. DIR-TSO-3890). Data storage, data communications and networking equipment and related services (DIR-TSO-4247).

These contracts are made available to eligible state agencies, cities, counties and other local governments, public school districts and public colleges and universities.

Benefits

- Easy to use—no administrative fees
- Efficient—call Anixter directly for a one-stop source
- Prequalified—prequoted and legally compliant eliminate the need for a formal bid process
- Economical—save hours of work
- Cost-effective—access the power of volume purchasing and bidding

About Anixter

At Anixter, we help build, connect, power and protect valuable assets and critical infrastructures. From enterprise networks to industrial support and supplies to video surveillance applications and electric power transmission and distribution, we offer full-line solutions—and intelligence—that create reliable, resilient systems that can sustain your business and community.

Through our unmatched global distribution network, supply chain management expertise and technical know-how, we drive efficiency and effectiveness to benefit your bottom line.
