

PRODUCT SOLUTIONS BRIEF  
LEGRAND

COMMERCIAL BUILDING SPACE UTILIZATION

Through our strong global partnerships and alliances with manufacturers such as Legrand, we are able to present you with the following offering to meet your specific commercial building requirements.

**InteGreat™ Series**

Legrand's InteGreat Series, part of Wiremold® Meeting Room Solutions, offers an innovative way to better manage technology in meeting rooms by bringing power, communications and A/V from the building infrastructure to the point of use with products that are designed to seamlessly fit together. InteGreat products are easy to install and organize and provide protection for cords and cables while offering easy access for future technology upgrades.

Legrand's InteGreat Series is adaptable to most meeting room tables.

**CHALLENGE SOLVERS**

- InteGreat delivers device access to the work surface, fed from the InteGreat Cable Management system.
- It is specifically designed to work together, which ensures cable organization and protection from the point of use to the building infrastructure.
- It accepts power, A/V and communication services while keeping cords and cables neat and organized, which protects cabling and creates a clean, organized meeting space.
- By being adaptable to most meeting room tables, it allows the same parts to be used regardless of table or room dimensions.

**THE ANIXTER APPROACH**

- **Work areas**  
Create open and flexible work areas that can support permanent and visiting staff.
- **Collaboration zones**  
Provide dynamic environments that simplify sharing of content and conferencing demands.
- **Common areas**  
Establish consistent communication and connectivity in highly trafficked parts of the building.
