

PRODUCT SOLUTIONS BRIEF
LEVITON

COMMERCIAL BUILDING SPACE UTILIZATION

Through our strong global partnerships and alliances with manufacturers such as Leviton, we are able to present you with the following offering to meet your specific commercial building requirements.

IT/AV System

Leviton's IT/AV System delivers high-quality video enterprise-grade plug-and-play systems by extending signals over HDBaseT™ certified links without requiring any programming. The low-profile system is adaptable and can handle future multimedia devices. The easy-to-install, standards-based solution requires little to no training, which enables low-voltage, BICSI RCDD contractors to be the A/V experts for their customers.

A/V solution multimedia outlets

CHALLENGE SOLVERS

- Capable of supporting future HD video, 3D, 2K and 4K performance requirements up to 2160p
- A/V signals that can be extended over twisted-pair cabling with the same tools that are used for installing datacom infrastructure
- Compatible with other HDBaseT certified equipment
- Peace of mind that comes from third-party verification and certification of A/V signal transmission performance

THE ANIXTER APPROACH

- **Work areas**
Create open and flexible work areas that can support permanent and visiting staff.
- **Collaboration zones**
Provide dynamic environments that simplify sharing of content and conferencing demands.
- **Common areas**
Establish consistent communication and connectivity in highly trafficked parts of the building.

WHAT WE HEAR

Challenges from the various commercial building stakeholders are:

ADAPTING to a changing workforce

Growing **COST** of real estate

Rising **ENERGY** costs

Offering **FUNCTIONAL MEETING** environments

Meeting staff **COMFORT REQUIREMENTS**

THE LEVITON SOLUTION

SIGNAL EXTENDERS

HDBaseT
 VGA
 USB

STRUCTURED CABLE

Category 6A UTP cable
 Atlas-X1™ connectors
 Patch cords

WALLPLATES

QuickPort®
 Multimedia outlet system
 Recessed entertainment box

Infrastructure as a Platform
 by Anixter

Infrastructure as a Platform by Anixter provides a practical, configurable and integrated approach to optimizing real estate effectiveness in your commercial building.

CONFIGURE

We help you discover and map your specific needs to the best solution.

- A/V signal extenders
- Zone enclosures
- Structured cabling
- UTP connectors

BUNDLE

Your validated, preconfigured solutions are packaged and site ready.

- Data connectors and adapters
- A/V cables
- Audio amplifier
- Quick-port brackets

DEPLOY

Controlled, repeatable solutions are delivered on time and under budget.

- Custom packaging and labeling
- Time-sensitive delivery options
- Staged project shipping
- Tailored last-mile delivery

LEVITON IT/AV FEATURES

✓ ADAPTS TO A CHANGING WORKFORCE

- The system makes migrating to an IP platform easier.
- It is compatible with other manufacturers' equipment that supports the same HDBaseT protocol.
- It comes with a limited lifetime warranty on the cabling system installed by a Leviton certified contractor.
- System longevity means it is capable of supporting future HD video signal performance requirements.

✓ FACILITATES FUNCTIONAL MEETING ENVIRONMENTS

- The system adapts to handle future multimedia devices while maintaining a low profile.
- 100m HDBaseT extender delivers full 5Play functionality including an Ethernet channel to extend the LAN or enable smart TV connectivity.
- Certified bi-directional Power over HDBaseT (PoH) supports both 70 and 100 meter systems.
- A wide selection of wall plates, housings and A/V connectors supports your installations.
